

QUICK FUNDRAISING TIPS

TIP #1 MAKE A LIST!

Everyone has friends, family, and community members who may want to help you with your fundraising efforts! Make a list of all of your friends, family, and community members that you would like to ask to participate. Don't forget to explain why you are fundraising and what they are getting by buying your Xtreme Thrill Pass!

TIP #2 USE SOCIAL MEDIA!

If you or your parent/guardian have social media accounts, then contacting people on your list with a video message would be a great personalized way to reach out!

You can also post a general video explaining your fundraiser, what your goal is, and what the Xtreme Thrill Pass is all about!

Don't forget to tell people to contact you or your parent if they are interested!

TIP #3 DON'T GIVE UP!

FOLLOW UP!

There are going to be some people who don't respond right away. Some may have forgotten about it or been too caught up with other things!

Be sure to FOLLOW UP with people who have not responded! If they're NOT interested, THAT'S OKAY!

Don't be discouraged! Simply thank them for listening and move down your list to your next potential customer!
